FOREWORD FROM THE RECTOR

Dear Students,

First of all, I would like to congratulate and welcome you to IULI: “International University Liaison Indonesia”.

Today will mark the beginning of your exciting journey towards academic excellence at our international university which is not just coordinating with one German’s university but with a consortium of 14 European universities.

As a higher-education institution that places high importance on preparing students to meet the growing demand in today’s market, IULI is committed to enhancing the competitiveness of Indonesia’s human resources by focusing on building practice-oriented knowledge, soft skills and character through our modern study programs.

In the next four years, you will definitely grow to become independent, responsible, and mature beings who display integrity and discipline as the core values that differentiate you from your peers.

IULI’s academic nature, research semester and internship program in Europe will foster proactive learning, competitive spirit, and transparency that will later be the highlight of your learning experience in IULI.

We are all in IULI to grow together with you. We encourage you to invest your time in building the start of your success with us. Be involved in the campus community from and build various student activities in art, culture and sport. Explore the many opportunities to stretch your-self and grow to become a successful individual who are ready to face life’s challenges.

Welcome once again to Your Second Home – IULI- and I hope that each and every one of you will begin the promising journey with a positive outlook and a bright future in mind.

Before you know it, you will be carrying IULI’s name as a proud graduate who will bring great honor to our beloved Indonesia and beyond.

Dr. Ir. Tutuko Prajogo, MSMfgE
